Family Math Night

Our Fairy Tale Math Night was a huge success and a lot of fun for everyone! It was great seeing students and their families practicing math skills together in a fun way. Thank you to everyone for coming out and supporting this event. We had 197 signed-in attendees!

Conferences/Communication

We enjoyed getting to talk to parents on Conference Day. Please remember that communication is a vital part of your child's success! We are always happy to communicate with you regarding your child's needs. If you need to update your contact information, please let your child's teacher know.

Title I Tidbits

- DuPont ES is a Title I school and receives federal funding based on the number of students with direct certification of services. Our school voted to use the funds school-wide so that all students will benefit from the funding.
- If you missed our Annual Meeting, the Title I Annual Meeting Presentation link is on our website.
- Communication is a key piece to keeping all stakeholders informed and DES wants to make sure that you always have access to the information you need. The Bulldog Bulletin, school website, Facebook, Twitter, Remind app, teacher newsletters and weekly emails are some of the ways that we communicate. To keep communication working, please be sure DES has your current phone number and email at all times.

BULLDOG RUN

Thank you to everyone for your part in making our Bulldog Run a huge success! It was a great day of fun, laughter, and fitness! At the end of the day on Monday, our students had raised 4,735. And with the generosity of all of our sponsors, we were able to meet our goal of raising \$10,000 to put towards a new rock-climbing wall for our gym! We are so grateful for such giving hearts!

A **HUGE** shout-out to all of our sponsors! We could not have done it without their support!
